

I can hardly believe it's already that time again! The store will soon be overwhelmed with new shipments and new stock. So we gotta get cleaning and clearing.

Yes, the reminder you've all been waiting for...

# IT'S A CROCK COUNTRY STORE'S ANNUAL SUMMER BLOWOUT SALE

Thursday, August 7<sup>th</sup>, 10am - 5:30pm

Friday, August 8<sup>th</sup>, 10am - 5:30pm

& Saturday, August 9<sup>th</sup>, 10am - 5pm

As per usual, tons of amazing deals; 10-50% off a huge selection of merchandise, as well as dollar value tables overflowing with "killer steals". Our biggest sale of the year, and worth the trip for anyone who lives out of town. So get here early, and don't miss out. We have some once-in-a-lifetime deals in store. And remember folks, bring your protective gear and helmets, because it's always a stampede. (No rainchecks available. If you are unable to attend, we are unable to hold items or offer sale prices before or after sale dates. No exceptions.) Please note: ALL Sale items are Final Sale. A Chip Off The Crock Furniture Showroom will be open during the sale, but will not necessarily be having any items on sale.

As mentioned above, Sandra is away, likely buying enough new stock for a whole 'nother store (which we have told her is absolutely not allowed). So we are going to have to find room for it here somewhere. Do all your favorite Crock-girls a favor and come in often over the next few months to check out what's new. I will do my best to get some items onto the website, but as usual, quantities are limited. From brand new everyday stock to unique seasonals, as well as many more florals and greenery (which we are in dire need). And don't ever be too shy to ask us if there's something in particular you're looking for. We can't always bring in every little thing, but we'll certainly try to special order it for you.

We've been open a couple of months now, so I hope you have all been able to make it into the furniture store, and say Hi. Yes, I am now running A Chip Off The Crock Furniture Showroom. "The newsletters, the website, AND a furniture store?! Isn't that a lot?" you ask.

I do what I can. But it's all worth while when I get to see the look of amazement and bliss on your faces as you gaze around our new store. So come and check it out, if you haven't already, because it's not to be missed. And come back soon, if you've already been, because we're always changing things. Us ladies all know how much we LOVE to move furniture (or get the nearest man to do it). If you're not so near by to visit often, fret not, I have much furniture to add to the website, if I can ever find the time. I have spoken with Sandra several times since she's been away on her buying trip, and have heard snippets of a new furniture company we're bringing in. And she hasn't even been there a week. Not to mention there is a completely different trip she will be making at the end of July specifically on the lookout for furniture. I also have no doubt we will soon see many incredible new accessories for this store.

Did I mention we have Ice Cream? Since you're going to be in town anyway, make sure to stop by A Chip Off The Crock Creamery and pick up your favorite Foothills Ice Cream. Yes, it's so good. No, the Crock-girls can't resist treating themselves often. Open Noon till 8pm, 7 days a week. (No food or drinks in the Furniture Store please.)

Hope to see you all soon. Have a great and safe summer.

~ Sarah
